

# Physical Therapy Management of Headache & Dizziness Master Class

**Location:** **Dubai** **Abu Dhabi** 

**Date:** 28 October 2022 29 October 2022

2:30 PM – 8:30 PM

## Tutor:

### Willem De Hertogh

Willem De Hertogh (1974) is a musculoskeletal physiotherapist with more than 20 years of clinical experience. He is mainly interested in the research and treatment of complaints of the head and neck area, such as headache, dizziness, neck pain and tinnitus. He sees these complaints in his clinical practice and actively conducts scientific research into them.

As an associate professor at the University of Antwerp, he provides education in musculoskeletal physiotherapy in both the Bachelor and Master programs in Physiotherapy at the University of Antwerp. He is also the initiator and academic coordinator of the postgraduate Musculoskeletal Therapy – Manual Therapy. He gives lectures and workshops regularly in Belgium and abroad.

He has over 70 international peer-reviewed publications and acts as Section Editor of the Musculoskeletal Section of Archives of Physiotherapy and as a Review Editor for Frontiers in Neurology (Neuro-Otology).

# Physical Therapy Management of Headache & Dizziness Master Class

## About Master Class:

This Practical masterclass tackles the management of cervical disorders, in relationship to headache and dizziness. The objectives of this masterclass are the following:

1. **Participants will learn how neck disorders can give rise to headache and dizziness. The neurophysiological background will be explained. This to underpin the participant's future clinical reasoning.**
2. **Mastering the clinical tests in the physical examination and therapeutic options, including exercise therapy and mobilizations.**
3. **Understanding a selection of relevant and easily applicable outcome measures will be presented.**

## Prerequisites:

For Physiotherapists (Graduates & Internship Students)

## Registration for unemployed physios & students

Individual Registration: 750 AED      Group Registration (3+): 650 AED

## Normal Registration

Individual Registration: 900 AED      Group Registration (3+): 750 AED

1-Fill the attached online form <https://www.primephysio.com/registration-form-uae>

2-Submit the course fee:

- Via online <https://www.primephysio.com/headache-dizziness-masterclass-payment>
- Via bank transfer to the following bank account within UAE:
- Account Name: AINAJM ALRAED CONFERENCES ORGANZG
- Account Number: 12097145820001
- IBAN: AE41 0030 0120 9714 5820 001
- Bank Name: ADCB Bank (Abu Dhabi Commercial Bank)

3-Send a proof of payment (screenshot or payment acknowledgment receipt) to [uae@primephysio.com](mailto:uae@primephysio.com) or Official WhatsApp number: 00971 0502051448

4-You will receive confirmation within 24 hours with details of online learning access.
