

Invitation to apply to

2023 FOUNDATION PAEDIATRIC NDT COURSE

based on the Bobath concept

This multidisciplinary post-graduate course covers the assessment and treatment of children with cerebral palsy/cerebral motor disturbances, presented under the auspices of the South African Neurodevelopmental Therapy Association in collaboration with Primephysio Training UK.

COURSE LEADERS/TUTORS: Dianne Zeller (PT) Lisa Rawstorne (OT) Karien Marais (ST)

WHO CAN APPLY? Qualified physiotherapists, occupational- and speech therapists

COURSE STRUCTURE AND DATES: The course is made up of 3 different blocks, spread over the following timeline with specific dates:

BLOCK 1: Online self-study modules:

September to November 2023 (The course material on Neuroscience, Typical Child Development, Classification of CP, and the Bobath Concept will be available online over this 3-month period for participants to study in their own time. This will be interspersed with some evening live Zoom tutorials where certain aspects can be clarified) ***No leave from work required for this section.***

27 September 2023 - 7:00 PM- 9:00 PM (GMT)

25 October 2023 - 7:00 PM- 9:00 PM (GMT)

29 November 2023 - 7:00 PM- 9:00 PM (GMT)

BLOCK 2: Live Zoom classrooms:

This block consists of different modules spread over different dates and will be in the form of virtual Zoom classrooms. It will cover movement analysis, a problem-solving approach to the treatment and management of individuals with CP, as well as relevant aspects of occupational therapy and speech therapy. These live online classes will be in the form of lectures, video recordings and group discussions) Note the different dates:

1-3 December 2023 - 8:00 AM – 4:00 PM (GMT)

8-10 December 2023 - 8:00 AM – 4:00 PM (GMT)

15-17 December 2023 - 8:00 AM – 4:00 PM (GMT)

Leave from work will be required for the dates above.

BLOCK 3: Practical / clinical modules: (on site)

24 – 28 Jan, 31 Jan – 4 Febr, 28 Febr to 3 March 2023 8am – 4 pm (UAE time zone GMT+4) (participants will be taught and practice handling and management and will do supervised clinical sessions assessing and treating children with cerebral palsy.

This practical face-to-face block will take place in **Dubai UAE** and venue will be confirmed

Leave from work required for these 3 weeks.
